Dear Miss Meagher:

I am replying to your letter of September 7. It is most significant that you omit any reply to the specific points I discussed including Johnny Calvin Brewer, the conduct of Oswald before his entry into the Texas Theatre, the physical evidence pertaining to the Tippit murder, the eyewitness identification of Oswald, and the physical evidence pertaining to the assassination itself. Nor did you reply to my expose' of your deliberate misrepresentation of the interrogation of Givens with your false innuendo of "planned collusion," etc.

Res ipsa loquitur.

Oswald Killed President Kennedy. Oswald killed Officer Tippit. It is an outright prostitution of the truth for you to try to deceive the public to the contrary.

Very truly yours,

David W. Belin
